NEW SONG” ISRAEL TOUR 2022.

Karelaine Tours would like to invite you to Sing a New Song to the LORD with us.

[Psalm 96](#) may hold the key to understanding why [worship](#) has continuously evolved throughout history, and new songs have ever been written and sung to the Lord. The psalmist declared, “O sing unto the LORD a new song: Sing unto the LORD, all the earth. Sing unto the LORD, bless His Name” ([Psalm 96:1–2, KJV](#)). In each of these passages, *new* means “original,” “fresh,” “one of a kind,” and “never seen before,” or, in this case, “never heard before.” God is a creative God. He is always doing something new—like saving, intervening, answering prayers, and working miracles. Through the prophet Isaiah, God said, “Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland” ([Isaiah 43:18–19](#)). Right before this, the Lord declared, “Behold, the former things have come to pass, and new things I now declare; before they spring forth, I tell you of them. Sing to the LORD a new song, his praise from the end of the earth” ([Isaiah 42:9–10, ESV](#)).
